Whispers from The Brighter World
A Fourth Revelation

What do you mean by 'serving you effectively', the wish you express in your daily prayer? Serving with all one's soul is to have one's heart wide open to the Divine and completely available, without wondering about the how and the why of what must be accomplished.

"It is a certain level, losing one's identity as a spiritual being. It is letting oneself be carried away – confidently – in the swirl of the divine energy, and then, like the leaf that dances in the wind, to land where one's destiny awaits.

"It is also like leading a kind of double life, playing one's role as a human and letting one's heart follow the way shown by Him to whom it is offered.

"All this can be achieved easily in perfect harmony. The main thing is to love and to let oneself be carried away, happy to generously offer one's best."
