Whispers from The Brighter World
A Fourth Revelation

Why would you like to know more about esoteric laws? Is it so important? Have you understood well, assimilated well, all that we have been able to tell you since the beginning of our contacts? It seems to us that a flashback would be necessary; it would enable you to take stock. For many years, you have been collecting a sizeable amount of information.

"This kind of teaching is given in small touches. One should be able to read between the lines, with one's heart, so that each cell of the body is imbued with it. It is not an ordinary reading, like reading a novel for example, which cannot leave anything or, at the most, a simple memory.

"All that is said in these messages must infuse slowly into the mind and the heart in order to be transcended. It is a spiritual food which must make its way and suffuse the soul. It is better to proceed slowly at a human pace; you have to make do with this process."
