Whispers from The Brighter World

Monday, February 27, 2017 — 5:00 pm

This time slot is not customary, and yet it presents itself at our convenience to maintain the precious thread between our hearts. The messages have become a very rare asset in our Mission and they will remain so, you can be sure. In the future, they will become the beacon of Sahaj Marg. All is well, except for this extra difficulty that is being added to what you have already been facing. Remain confident; we are by your side.

You are blessed, my dear daughter.
