Whispers from The Brighter World

Friday, March 3, 2017 — 10:00 a.m.

Long, very long, is the way that is being offered to human beings — one that allows them to forge ahead towards the Eternal. It is not easy for them to put things into perspective, to distinguish between good and evil; in certain circumstances, choosing an option is no simple task. Following a spiritual path helps one clarify the situation, putting emphasis on what is most important and not neglecting that which constitutes the sacred edifice of spirituality. Our brothers and sisters are on their way. We cannot force anything, but Sahaj Marg offers this advantage — namely, other very significant perspectives on the vast space of spirituality. Here, everything becomes possible and the best can be accomplished.

This is how it is.
