Whispers from The Brighter World

Saturday, March 18, 2017 — 10:00 a.m.

Nothing is ever simple on Earth — many difficulties can arise on the most promising path. The path of Sahaj Marg helps one to understand the need for real commitment. Anything that can simplify life is significant; each incarnation specifies the path and allows a human being to clarify his or her way. Thus, everything can fall into place according to the divine laws. It is a long journey to reach the goal; the way of Sahaj Marg contributes in its own manner and saves precious time. Like this, all is well within our way, as intended by the higher powers and supported by the Masters who work appropriately on Earth.

The best to all, under our blessings.
