Whispers from The Brighter World
A Fourth Revelation

Thursday, April 13, 2000 - 10:00 a.m.

As you can see, if we try to go into detail on the secrets of the universe, that is tantamount to fiction for you and is not of great interest. Isn't the main thing our communicating and addressing of topics within the limits of human comprehension?

"Is your life on Earth not difficult enough to cope with?

"One day, you will understand that the great achievements take place in obscurity and that they are not within your reach. Each one has one's own field; it is better not to wander from the programme set for this incarnation. The bee cannot become a butterfly, but its action is critical within the community.

"You must go through all that the future holds for you and when the time comes, you will, for good, take 'flight'."
