Whispers from The Brighter World

Sunday, April 16, 2017 — 10:00 a.m.

Whatever the day, this heart-to-heart connection is, in many respects, important to you — but not only to you. Through it, words are repeated — transmission too, which helps our abhyasis much more than they imagine.

Sahaj Marg is not an ordinary path; it unfolds over time and will remain a reference. Our dear great son Kamlesh will know in the future how to bring to light all that has not been obvious until now; doesn't everything have its raison d'être? He is an innovator, and we appreciate many aspects of his action, even if not everything is recognised as it should be. Time always succeeds in emphasising what must be emphasised. Hyderabad offers a broad scope of action; opportunities will present themselves as needed, and they will benefit this Mission beyond our wishes. May the best happen in every respect. Sahaj Marg offers wide possibilities.

To all, the best.
