Whispers from The Brighter World

Friday, May 5, 2017 — 10:00 a.m.

These messages constitute a valuable asset for our Mission — we can only repeat it. They carry a subtle energy that will keep its treasures over time. This way of the heart has many advantages, which will reveal themselves in the future, and for good reasons. This world is being called upon to change and the Mission to be restructured. The future high place of Hyderabad will facilitate an unprecedented expansion. Our dear Kamlesh is preparing this advancement; we inspire him accordingly so that the best can be achieved. These writings are not insignificant; everything is being set up slowly and is generating the desired results.

May Sahaj Marg expand ever more and win over people's hearts, in keeping with our wish. To all, strength and eagerness to achieve the best at all levels. Very special blessings to all.
