Whispers from The Brighter World

Friday, May 19, 2017 — 10:00 a.m.

In you, peace and harmony reside, being established every day through these much awaited contacts. Years pass, words are repeated; nonetheless, these writings are appreciated by many of our abhyasis. They will bear witness to that which currently exists in this spiritual way. Within the Sahaj Marg Mission a sacred edifice is being built, one in which many hearts who are in need find the way; it is a way that uplifts and does not disappoint. Time will justify these comments. The benefits of Sahaj Marg will leave in the future a very significant imprint that will carry multiple benefits. We want the best for all our brothers and sisters; the future is known to us, and this allows us to act accordingly for the good of all.

May peace and harmony prevail here below and strengthen this path of spiritual excellence.
