Whispers from The Brighter World

A Fourth Revelation

*Saturday, April 15, 2000 - 10:00 a.m.*

*es, you are a great medium, admittedly. The Venerable is happy with your collaboration, which is expected to give interesting results. We will meet on April 19th 6. That day we will be particularly united."*

*Babuji*

*"The machine is launched; even if you so wished, we could not stop it. Do not worry; it is not likely to run off the track. You will be under sound and very vigilant supervision.*

*"What have you done to deserve that attention? We, who read you so well, we can see only the heart of a child, loving and surrendered. That is what touches us all.*

*"You see there is no need to perform feats to touch the right chord of each one of us. You are a special case that arouses our curiosity.*

*"We are working on a programme of which you will understand the importance one day. Be surrendered in these contacts; we put a balm on your heart and your body feels it."*

*The Venerable*
