Whispers from The Brighter World
A Fourth Revelation

*Tuesday, April 18, 2000 - 10:00 a.m.*

*Nobody is betrayed. You are moving in a given direction with different helpers that converge to better achieve the final goal. We act in concert, in full harmony. Let yourself be carried by the divine wave. It knows its destination; nothing can divert it. While advancing, the pace accelerates and resistance is useless. The power of attraction is irresistible and the aspiration of the soul grows with it. This state cannot be described, it can only be experienced; that is all.*

*"Our communion is intensifying. We must tune our vibrations, as we would do with musical instruments. This work is meticulous. We are only playing the prelude before reaching harmonic heights that will delight your Beloved. This, although failing to make you understand, is what will make you dream."*
