Whispers from The Brighter World
A Fourth Revelation

Thursday, April 20, 2000 - 8:00 a.m.

Come and join us in this inner space where your heart can find peace. However brief, in that moment it can pause for breath before resuming the pace of its regular life. Endure and keep smiling in spite of everything, as the Masters who departed this life used to do. The current Master is also very courageous; he pushes himself to the limits to achieve his mission and to manage everything as well as possible.

"May your thoughts accompany him in his heavy task and may your heart remain united with his. It is what you must focus your thought on more and more, so that a kind of permanent and very strong bond can be established between you. He needs selfless souls by his side, enthusiastic disciples who surround him with their love. On the human level, a Master of this level is alone. He can count the pure hearts that are truly offered to him."
