Whispers from The Brighter World

A Fourth Revelation

Thursday, April 20, 2000 - 10:00 a.m.

This surrounding big noise compels you to make efforts to withdraw inside yourself even more so than usual. You see that you can do it and that nothing can prevent this kind of contact when it must happen. You possess the key to this place and it is important to achieve self-control to be able to constantly leave the world aside. We are making progress in our work without you being fully aware of it."

The Medium: "I would like to know a little more about it, Venerable; I have the feeling I am walking blindfolded!"

"It is excellent, that is what surrender looks like. Would you complain that we are dealing with your spiritual person? You have made choices; you have to stick to them. Are you so unhappy with our contacts and the love we give you? Therefore, if you are not in rebellion, let us continue to advance and you will see well where that leads you.

"You who dreamed of adventure in your youth, isn't this the most beautiful you can dream of since it does not result in disillusion!"
