Whispers from The Brighter World

Thursday, September 18, 2014 – 9:30 a.m.

This day is special for you. It does not alleviate your suffering, but all these testimonies coming to you touch you, because they lead back to the essential aspect of your current life – these messages. They are taken down against all odds; only this special love can accomplish what is here.

The power of this energy is sovereign; it carries beings touched by grace who, for good reason, commit themselves to divine service. This epic will mark our Mission. Beautifying the hearts of our brothers and sisters, and strengthening them in their faith and personal commitment, is the best that can happen to them for their further evolution. Our work in this world has no other purpose. Seeing beautiful souls opening to divine splendour is an unparalleled joy; like a flower opening under the rays of the sun, the heart won over by this kind of love adorns itself with its best finery. Nothing is too beautiful, too good, for our faithful aspirants. Their journey will mark this time; they will leave a most subtle imprint in the kingdom of victorious love.

Peace, serenity, against all odds; the refuge of faith has no equal. The incarnate Master draws in his wake valiant hearts, haloed with this energy so beautiful and so subtle that it will defy time. All have access to the best, carried by this unique energy

scarcely visible to human eyes. It is without equal, you can be sure. May all be carried and strengthened under our blessings.
