Whispers from The Brighter World

Wednesday, January 7, 2015 – 10:00 a.m.

Our newly Elected One for the Mission is beginning his journey. With him, too, it will mark an extraordinary course. Our way will reach its apogee in the future, when it will be established in a definitive manner. It will be a blessing for our brothers and sisters, one they cannot even imagine today. So many upheavals will occur on Earth, India will be preserved, such is the divine will.

At the heart of spirituality lies Sahaj Marg – a central and decisive axis in its action, as intended by the higher powers. This is a satisfying prospect. May all our abhyasis motivate themselves by focusing on the essential, and support their Master as appropriate in the extraordinary journey that awaits him. This Mission is particularly blessed; it's up to each one to involve themselves for their own good and that of the entire Mission.
