Check the definition of the word acolyte. You will understand your role better."

(Acolyte-akolouthos in Greek: attendant. In the Catholic Church, it refers to the altar server.)

"Also think of the sensor of solar energy which redistributes heat. It is an image that can possibly help you to realize what you are doing in another area, the spiritual.

"Keep this message by yourself since you don't deem it a matter of public interest.

"Seek an opinion on the issue."
