Whispers from The Brighter World

Saturday, September 12, 2015 – 10:00 a.m.

This rendezvous of the heart cannot be ignored; whatever may be the words arranged on paper, only the love expressed in this longstanding contact allows it to be perfectly integrated into the history of our Mission. In this, many aspects are to be considered. To connect to the heart of the living Master, through what is conveyed by this message, is not insignificant to us.

We follow our very dear son, the Master of this way of the heart, with the greatest attention. We carry him in our own manner. In him rest all our wishes for the implementation of numerous projects that will increase the number of high places of Sahaj Marg – this great and beautiful way whose full importance will be assessed in the future. With all our hopes and wishes for this vast undertaking.

Special blessings to all.

Babuji
