Whispers from The Brighter World

Sunday, September 27, 2015 – 10:00 a.m.

A birth anniversary like this requires preparation beyond human practices. The spiritual Master has numerous capabilities, as wanted by the hierarchy of Masters; moreover, a very special vibration spreads within the sphere of the Sahaj Marg Mission for the good of all beings who follow it with sufficient commitment and with faith in this extraordinary system.

India is, and will remain, the chosen land of Sahaj Marg. Its foundation is solid; well anchored it is, and will remain so in the future, with respect to its sacred principle. Time will give it an importance that cannot be imagined today. Our very special combined energies emanate from the alliance of Masters, whose action is uncommon in the history of spirituality. This fact is unprecedented for the way in which this spiritual path, in half a century, has been established in various parts of the world for the benefit of a large number of human beings sensitive to this transmission – one that is beneficial in every respect, beyond human assessment.

All is well, you can be sure. We will not change the world with a snap of the fingers, but everything is falling into place in a way we find suitable for most people. The best to all, in accordance with our action and our dearest wishes for each of our brothers and sisters.
