Whispers from The Brighter World

Friday, July 15, 2016 – 10:00 a.m.

Dive into this ocean of love that reassures you and delights your heart. Yes, the messages are coming to an end, but our contacts at this level will not change. When it is fitting to send them to our dear Kamlesh, it will be done.

Thousands of these writings are yet to be discovered by many of our abhyasis. The delay in their dissemination, as concerns those being given now, does not indicate a real wait for them.

All good things come to an end, it is said. Have courage, my daughter, in this passage that is not easy for you. We are by your side, with our special blessings.
