Whispers from The Brighter World

Friday, August 26, 2016 – 10:00 a.m.

These moments of peace, of inner reflection, fulfil an ardent soul calling for an extraordinary vibration that emanates from this transmission between your heart and ours, which has existed for a very long time.

It has brought these thousands of messages, oh so precious for our Mission. They will remain the only ones, unique among their kind and carrying a vibration that will defy time.

Imitators abound; the truth is there, intangible and inviolable, and it will leave its mark on people's minds.

We will not insist any further. Our endless blessings are bestowed upon this Mission, which is so dear to us.
