Whispers from The Brighter World

Friday, January 13, 2017 – 10:00 a.m.

Let your heart speak, my dear daughter, it is the best informed. It receives, it perceives and it captures all that is necessary for its spiritual nourishment. Such nourishment is decisive in one's lifetime. Union with the Master, surrender to his action and to ours, brings to perfection this achievement of past lives. Thus are riches accumulated, and certain experiences shape each person's journey. It takes time to recognise this need for surrender; in the end, no one can ignore it.

Once one has arrived at the stage of 'letting go', the soul is able to continue its ascent, and all hopes are permitted. It is finally free, active to the full extent of its needs. We await and guide it with joy and the certainty of its full success.

This is how it is.
