Whispers from The Brighter World

Thursday, February 2, 2017 – 3:00 p.m.

It matters little to a fervent heart the situation of the physical body, when expressing oneself becomes a play of the Spirit, a very special grace you enjoy here. This flow of love between our hearts cannot dry up, it will only grow over time to cover this entire Mission. On this very special day we are by your side more than ever, and we support you with great love. Our dear great son Kamlesh is so very blessed and carried in a masterly manner. All this extraordinary love creates a very special aura in what surrounds you; it is relayed and multiplied by the power of our 'K', who is by your side. This is a day of grace whose action will become evident with time. Rest assured, this action will reveal itself to all. Be at peace, everything is for the best. Our wishes will come true, you can be sure.

May the best come about.
