Whispers from The Brighter World

Saturday, March 25, 2017 – 10:00 a.m.

Nothing is easy for you in these difficult times. Love carries you every day and helps you overcome the incessant difficulties. This long connecting thread between our hearts unites us with those of our brothers and sisters.

These messages will have marked a blessed era in which the Sahaj Marg way rose up. Its foundations are very solid, and they will mark a blessed time when everything is taking its place definitively and for a very long time to come. This high place of Sahaj Marg which is currently being built will be a highly charged vibratory point.

The personalities who have marked this path of Sahaj Marg will be gathered there; they will bring a significant aura to it. Everything comes in its own time, in accordance with the higher will.

Endless blessings to all.
