Whispers from The Brighter World

Monday, May 1, 2017 – 10:00 a.m.

This seminar day was a moment of peace amidst the turmoil of life. Spirituality is a blessed island that is detached from the heaviness of this world. This path of Sahaj Marg is given to human beings so that they can reach a higher level of consciousness.

This approach is very productive; it demonstrates its benefits enough to convince our aspirants. Are they committed enough – we cannot force anything, but only let this blessed flower, so rich in its effects, blossom in their hearts.

Seeing the results obtained over the years makes us happy; these messages are the expression of that. May the best be for all our abhyasis. All are supported and oh so blessed.
