Whispers from The Brighter World

Wednesday, May 31, 2017 – 10:00 a.m.

Tuning in to us each day is a real joy for your heart. Thousands of pages have been written – they constitute a true asset for our Mission. Repetition is necessary for the guidance of all our readers; we follow them in this commitment of the heart in which different aspects are to be considered. Time does its work, it gathers what is desirable for the good of each one and for the global evolution of the Mission. These writings are to be taken as a true blessing. Time, as always, will justify our words. May all our abhyasis benefit fully from this heavenly manna and progress towards the best there is.

Blessings to all.
