The Medium: Babuji, I have doubts about the message you gave me on April 30th. I am never sure of myself...

Have I ever misled you? Since Patrick has not called you – as you asked him to do, to convey this message to him – now that he is home, can't you make the effort to call him for me?

My son is going through a period of tiredness; this message will do him good.

Babuji

(I asked Patrick – then in Germany with Master – to call me, but he didn't, hence this new intervention of Babuji.)
