Whispers from The Brighter World

Saturday, November 25, 1995 – 6:30 p.m.

Montpellier

(Seminar: meditation 6:30 p.m. conducted by Patrick.)

(For me.)

Be confident, my child, you are making progress. We watch over you.

(For Patrick.)

I am very happy with him, he is my beloved child. I have moulded his heart since his youth. His life meets all my expectations. That is not easy for him either. He is doing his level best; let him spare himself. He has all my blessings.

(For me.)

You did well to stay; I have charged the ashram accordingly, for this seminar.

(I have delayed my departure for Cannes because of this.)
