Whispers from The Brighter World

Saturday, January 30, 1999 – 9:00 p.m.

(Extract.)

You will soon get out of this long cycle. Important transformations like those you have undergone are accompanied by health repercussions. This is difficult for humans to understand. We are satisfied, my daughter. You are for us an excellent channel to convey our teaching. Your role is not negligible.

Until tomorrow, my child; we are going to prepare you to receive our message, which will be long and important. It might raise scepticism, but never mind, you are well placed to know that doubt exists. Be in purity and love.
