Whispers from The Brighter World

Wednesday, May 19, 1999 – 10:00 a.m.

You all are privileged. You know where you are going.

Think of all those who don't have this hope and don't know why they are on Earth.

To get to where you are, you've garnered from previous lives.

You are on a spiritual path that takes you to the next level. You will save a lot of time if you don't waste it by being lax in your approach.

Be very active and surrendered to the Divine, to your Masters, who are working for your future realization.
