Whispers from The Brighter World

Thursday, May 20, 1999 – 10:00 a.m.

Let yourself be carried, forget your body for a moment. It has stood up like a good soldier for so long now. It has a heightened sensitivity that increases feeling tenfold – this is the hallmark of the great mediums.

Relax.

Others see only the bright side of things, there is a flip side to the coin.

My dear daughter, we surround you with our love and we bless you.

Babuji
