Whispers from The Brighter World

Tuesday, June 22, 1999 – 10:00 a.m.

Regain your strength, my dear child, you are completely exhausted. We like your courage and seeing how you are moving forward against all odds. There are limits to everything.

We see how much these treatments are unsettling you and we repeat: 'above all, do not feel guilty.' Your associates have quite enough to read and reread.

Think of better days, full to the brim with light and joy.

The Medium: That can be only in your company, Babuji!

Not necessarily – always hope, thus you will show your faith in us.
