Whispers from The Brighter World

Wednesday, June 23, 1999 – 10:00 a.m.

We take great care of you, you are precious to us, do not doubt it. Why would you not be? For one thing, your human criteria are not correct; and for another, on what basis do you think you are not important? For us, you are.

The reasons of the heart surpass all erudite human assessments.

We love you, that is how it is. Did I not tell you that our heart-to-heart would continue one way or another?

We do not want to take too much of your strength, we just want to show you that we are here and that our contacts are not ending.

We want to console your poor heart, so unhappy at being unable to control the situation in which you find yourself. Courage is not always enough. Keep your spirits up, we shower you with our Love.
