Whispers from The Brighter World

Sunday, January 17, 2016 — 10:00 a.m.

My dear daughter, we will be brief today. You are giving your strength unreservedly out of love for us. You need to rest during this time which is difficult for you. Let us remain united through the heart and all will be well; tomorrow is another day.

"Be at peace — you are carried by our love. This is how it is."
